

# BUILDING BRIDGES

to Peace

## AN INTERFAITH FORUM TO REPLACE SUSPICION WITH TRANSPARENCY

**Islam, Judaism and Christianity cannot coexist peacefully without an honest dialogue.**

Listen as experts on all three Abrahamic religions lay bare the scars of history and wounds of the present, ignoring the old rule that says never to discuss politics and religion in polite company...Assertions will be made & beliefs will undoubtedly be challenged.

Together, we will replace suspicion with transparency.
